

## ROOF COATINGS

## Silicone Raw Materials for Roof Coatings

### PRODUCT SELECTION GUIDE

PRODUCT NAME	DESCRIPTION	FUNCTION / APPLICATION
Andisil® OH (750 - 6,000 cSt)	Silanol functional fluids	For solventless roof coatings
Andisil® OH (14,000 - 20,000 cSt)	Silanol functional fluids	For solvent based roof coatings
Andisil® MOS	Methyl tris(MEKO)silane	Oxime Crosslinker
Andisil® MT 9010	90% MOS / 10% TOS	Oxime Crosslinker
Andisil® 1100 Silane	Aminopropyltriethoxysilane	Adhesion Promoter
Andisil® 1120 Silane (technical grade)	Aminoethylaminopropyltrimethoxysilane	Adhesion Promoter
Andisil® 1122 Silane	Aminoethylaminopropyltrimethoxysilane	Adhesion Promoter
Andisil® TL 10 & Andisil® TL 28	Tin Catalyst	Condensation Curing Catalysts
Andisil® AS 150 & Andisil® AS 200	Fumed Silica	Reinforcing Fillers
Andisil® SPR TPO	Fast drying primer	Hard to bond surfaces such as polyolefin and EPDM membranes

### ABOUT US

**AB Specialty Silicones** AB Specialty Silicones is a US Manufacturer and Worldwide Distributor of specialty silicone chemicals. With customer focus at the forefront, our goal is to be the one source for all of your silicone raw material needs—providing the highest level in service, products, and technical expertise available. Our core brand Andisil® represents our commitment to provide top quality materials, custom solutions, and unparalleled customer support. The Andisil® product portfolio offers solutions to a variety of industries including: Personal Care, Chemical Manufacturing, Dental & Medical, Mold Making, Electronic Encapsulation, Adhesives & Sealants, Coatings, Gypsum, Pressroom, et al.

Since establishment in 1995, AB Specialty Silicones has experienced continuous growth and expansion. At our 130,000 square foot Waukegan, Illinois headquarters location we have our own in house laboratory, full scale manufacturing facility and multiple warehouses to hold raw materials and finished products. We have successfully competed against our largest rivals to achieve this consistent growth, which is greatly attributed to our dedication to our customers, custom capabilities, speed and reliability. We are now a \$99+ million dollar company with our sights set on a bright future.

At the heart of our company is our vision - Enthusiasm & Innovation Create Success. Our team works hard to let our customers know how important they are. Present us with your needs, and we will figure out the possibilities.

For additional information on any of our products, please contact your Account Manager.

We believe that the information shown in this Product Bulletin to be an accurate description of the typical characteristics and/or uses of the product. Any suggestions of uses are not to be taken as an inducement to infringe any particular domestic or foreign patent. We recommend that the product be thoroughly tested for a specific application to determine the performance, efficacy and its safe handling and use.
